

D-group Questions

PRAYER

1. Did you intentionally connect with Jesus on a regular basis?

SCRIPTURE

Each week determine a set amount of scripture that the group will read. Each person will read the scripture on their own during the week and report back the next week as to whether he has read it and how he will respond to it.

2. Did you read the scripture assignment? What are you going to do about it?

CONFESSION

James 5:16 "...confess your sins to each other and pray for each other that you may be healed."

The purpose of confession is our healing. This is a time for complete honesty. A d-group requires complete confidentiality. Nothing that is shared in the d-group can be discussed outside of the group. Also, this is not a time to "fix" each other. Rather, as we expose our hearts to each other, God will bring us healing.

3. Did you involve God in your decisions this week?
4. Did you rest this week (at least one full day off of work)?
5. Have you been honoring, understanding and generous in your important relationships this week?
6. Have you damaged another person by your words, either behind their back or face to face? Have you remained angry toward another? Have you secretly wished for another's misfortune?
7. Have you looked at sexually alluring material or allowed your mind to entertain inappropriate sexual thoughts this week?
8. Did you tell the truth in all situations this week?
9. Have you handled your finances and possessions with integrity? Have you wanted something that does not belong to you?

WITNESS

Pray for 1 to 3 people, by name, who don't follow Jesus and are in your world. The goal is that you would be able to share Jesus with him and eventually invite him into your d-group.
