

BELIEVERS CHURCH

GO >>>>
residency

OVERVIEW

Before He ascended into heaven, **Jesus commissioned His disciples to GO . . .** to go into all of creation, preach the gospel and make disciples of all nations (*Mk 16:15; Mth 28:18-20; Lk 24:44-53; Acts 1:8*).

Nearly 2,000 years later, we are caught up in this same Great Commission to **GO . . . to our friends, to our families, to our neighborhoods and to the nations.** This is truly a Great Commission. But this can also be a scary commission filled with questions, fears and hesitation.

Join us in this year's **GO residency** as we **discover Jesus' strategy** for GOing, **practice simple tools** to help us GO and **gain courage and confidence** in GOing to share the gospel and make disciples in our spheres of influence—whether locally or globally.

Join us as we embark on the greatest of adventure of our lifetime—**following Jesus Christ in making disciples of all nations.**
